

Misha Voisey will be leading the Zarr Ritual

Since Misha has been actively Pagan she has been deeply exploring her inner being and concepts of gender and identity in the world. Recently dedicated into the inner court of the Brisbane-based Coven of the Wildwood.

Becky Carbines is a Witch and Dedicant of the Coven of the WildWood (WildWood Tradition of Witchcraft) and has been initiated into a Celtic Wiccan tradition as a first-degree priestess. Becky is currently studying at the Endeavour College of Natural Health and is working towards a health degree in Nutrition and Western Herbal Medicine. Her role in the Dionysian Revel at the God and Goddess weekend will be as the head maenad - a frenzied priestess of the Lord Dionysos.

The Dionysian Revel/Ritual will facilitate a journey into ecstasy through communion with the ancient Greek god of wine, revelry, ecstasy and transformation - Dionysos.

Gede Parma, an initiated WildWood Priest and devotee of the Hellenic path, will be drawing down the God (a form of Pagan ritual possession) and will be served by a priestess-maenad Becky Carbines who will guide the women in the ritual.
